BRING QUALITY TO LIFE
Sheds | Tiny Homes | Park Models

QUALITY OF **LIFE**

Expansive Living

Ready to truly live? Breathe in the mountain air, bask in the desert sun, or let the mountain breeze embrace you.

Experience our tiny homes and park models as your gateway to a life of quality and tranquility — starting now.

Your Place of Tranquility

A space to be. A space to create. A space to enjoy. Where will you find it?

Edifice brings custom craftsmanship to your personal haven, ensuring it becomes everything you've dreamed of. When you're ready for that perfect retreat, we're here to help you make it happen.

Clutter-Free Living

Piles of stuff. Dust bunnies. Forgotten treasures...

Sit down with one of our caring consultants to find the perfect solution. Take back your space and conquer the clutter once and for all.

EDIFICE

At Edifice, we believe that every structure should reflect the personality and character of the Edifice team.

Structures with Character

That's why we offer designable and customizable solutions for all of your building needs — from tiny homes and sheds to barns and decks. With Edifice, your structure isn't just another building; it's an artpiece of the Edifice team.

ABOUT **EDIFICE**

We design and build custom structures that reflect your unique style and requirements.
Explore how we bring your vision to life with a simple, personalized approach.

WHAT WE BUILD

- **Tiny Homes:** Ideal for those seeking a minimalist lifestyle, a Casita, or a customizable space.
- **Sheds:** Storage, workshops, or extra space with style.
- **Decks:** Enhance outdoor spaces for lounging or gatherings.
- **Barns:** Built for rustic charm or practical use on the farm.

DELIVERY

Delivery includes transport within 70 miles. Contact us to discuss delivery to your area

We make delivery smooth and easy, ensuring your shed arrives in perfect condition and exactly where you want it. We take care to minimize any impact on your yard during delivery and placement.

ON-SITE BUILDING

If delivery isn't an option, we can build your shed on-site. Our team will assemble it directly at your location, ensuring a perfect fit and precise construction, all while minimizing disruption to your yard. This option is ideal for tight or hard-to-reach spaces.
